connecting brain injury professionals

Brain Injury Social Work Group

Annual Membership Form

www.biswg.co.uk

The information in this leaflet is under review - there may be some omissions

BISWG exists to:

Provide a forum for social workers working with people following brain injury and their families/carers, to share, increase and disseminate their knowledge

Promote the social wellbeing of people with brain injury and their families/carers

It seeks to:

Improve services and facilities

Draw attention to service deficiencies

Publicise good practice and new developments

BISWG needs your help

Social workers can make major contributions to Practice

Policy making

Planning and development

Providing important services

BISWG can help to ensure that people with brain injury and their families/carers are:

Given timely and appropriate information and support

Consulted on service provision, service planning etc.

Brain Injury Social Work Group

BISWG is committed to:

Raising awareness and standards for the provision of resources to those people with a brain injury and their families and carers.

BISWG aims to:

Bring together interested professionals who seek both to offer and to receive knowledge, education and skills in this specialised area of need.

BISWG welcomes:

Enquiries from members & non-members who may wish to seek further information and advice.

Membership of social work and health professionals working in practice, research, education or training, or in a combination of any of these, in the field of brain injury.

Membership of those working in related professions who have a special interest in brain injury.

Membership of those who wish to develop a knowledge of work in this area of work.
